About Project SUCCESS

Project SUCCESS is a youth development organization that works with students over a seven-year period, from middle school through high school, to help them develop life skills that can transform their lives. Through in-school goal-setting workshops, an innovative theater program, and after-school individual services and special projects, students learn to make informed choices and plan for meaningful futures.

Job Duties and Responsibilities

- Experience a quality evening of theater with a Project SUCCESS family
- Provide students and their families with a ride to and from professional theater productions
- Attempt to overcome obstacles (such as when no one answers the door—see overcoming obstacles in the handbook)
- Help to ensure reasonable theater etiquette by the family you drove
- Express gratitude to the students and their families for coming to see the show
- Act as a representative of Project SUCCESS

Qualifications

- A driver's license, adequate automobile insurance (see insurance requirements in handbook) and a vehicle
- Punctuality
- Interest in providing students with an opportunity for community involvement and family activity
- An appreciation for theater is desired, although not required
- An enthusiastic, positive attitude
