## PROJECT SUCCESS IS IN YOUR SCHOOL!

### PROJECT SUCCESS BELIEVES IN STUDENTS.

“Project Success wants you to succeed. They don’t just say it, but they provide the resources to make it happen. They think of everything. I now say ‘I can,’ instead of ‘I can’t.’”

*Shaadia Munye, Project Success alum*

### PROJECT SUCCESS WORKS.

Our proven methodology inspires deeper engagement from students, increases academic performance and sets the stage for future success. 90% of high school students report that Project Success helps them think about their futures, set goals and create a plan for after graduation.

### PROJECT SUCCESS IS FOR YOU.
