*Project Success Pen Pal Connections is a unique opportunity to foster ongoing, international dialogue and understanding between students. Over an 8-week period, students will have the opportunity to communicate with and learn about a different country, culture, and people.*

## WHAT TO EXPECT

### MAKE CONNECTIONS AROUND THE GLOBE

Students will be paired with a pen pal of a similar age from a participating school from around the world.

### EXCHANGE CORRESPONDENCES

Correspondences can be in the form of a letter, email, audio or video recording. Each student will send and receive two correspondences, which will occur on an alternating basis.

### EXPERIENCE DIFFERENT CULTURES AND PEOPLE

Through dialogue, you will have the chance to learn about your pen pal, where they are from and their way of life, as you reflect upon on your own.

## PROGRAM DATES

- The first correspondence will begin on February 1st and will continue through March 17th.
- There will be an orientation over Zoom during the last week of January.
- We will have a celebratory Zoom meet & greet the week of March 20th to wrap up the program.

All communication will be coordinated between the partner teacher at your pen pal's school and Josh McHenry, Outdoor Adventures and Global Experiences Associate.

**Please register by Tuesday, January 24th**
